Patent No. 7,359,871 B2

Patented: April 15, 2008

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: David L. Bamborough, Kentwood, MI (US); James G. Blodgett, Kentwood, MI (US); William R. Dangi, Ada, MI (US); Robin A. Horder-Koop, Ada, MI (US); James P. Hunking, London (CA); William S. Kerker, Jenison, MI (US); Kenneth J. McDonald, Ada, MI (US); Thomas D. Paasche, Grand Rapids, MI (US); John P. Parker, Ada, MI (US); Kelly K. Savage, Byron Center, MI (US); and Claire E. Zevalkink, Grand Rapids, MI (US).

Signed and Sealed this Twenty-first Day of June 2011.
